INFORMATION

Departure Station: Kyoto

Arrival Station: Shin Osaka

****How to use****

1. The ticket will be issued within 30 days before departure.
2. Go to the ticket gate that has a "QR" mark shown below.
3. Scan the QR-code at the gate
4. Board the Shinkansen train
- [Instructions here](https://drive.google.com/file/d/12-1YI347zedW-PfGQMgj6zv07EGi_k36/view)
5. Regarding unreserved seats, you can use a ticket on any train leaving on your departure date.
6. If you have any IC-Card Applications on your phone, please turn off the NFC or remove your card from the application first.
(It is fine to print out the e-ticket to paper first or use another's phone to scan)
7. In case you miss your reserved train, you can flexibly use your ticket and take a non-reserved seat on any later train.

△Luggage Policy△

①Oversized baggage

* If you are bringing on board baggage whose three sides total more than 160cm and less than 250cm ("oversized baggage"), please reserve a "seat with oversized baggage space" or a "seat with oversized baggage corner".

②Under 160cm baggage

* If the baggage is under 160cm (equivalent to the size that can be checked in for free in the cargo hold of an aircraft)*, it can generally be stored in the luggage rack.

* Seats with oversized baggage space are available for customers with oversized baggage, but they can also be used by customers who need space to store their baggage, such as strollers.

Have a nice trip!
